

# SHB-4301HP

Box Camera Housing

FC |  | CE | ENEC

## Key Features

- Material: Aluminium Die-Casting ADC 12
- Use Condition: -35°C ~ +50°C
- Weight: 2.5kg (without Bracket)
- Color: Ivory
- PoE function, Dustproof, Waterproof, IP66

## Environmental

|                                  |                                                                                             |
|----------------------------------|---------------------------------------------------------------------------------------------|
| Operating Temperature / Humidity | -35°C ~ +50°C (-31°F ~ +122°F)<br>/ Less than 90% RH                                        |
| Fan/Heater                       | Support<br>(Heater : 5°C ± 5°C on, 15°C ± 5°C off / Blower : 35°C ± 2°C on, 30°C ± 2°C off) |
| Certification                    | IP66                                                                                        |

## Electrical

|                   |                                                    |
|-------------------|----------------------------------------------------|
| Input Voltage     | PoE(IEEE802.3at, Class4), 12VDC                    |
| Power Consumption | 16W<br>FAN(2W) : 2W * 1EA<br>HEATER(9W) : 9W * 1EA |

## Mechanical

|                             |                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------|
| Color                       | Ivory                                                                                             |
| Material                    | Aluminum                                                                                          |
| Product dimensions / weight | Outside : 184(W)x127(H)x460(D)mm<br>Inside : 99(W)x80(H)x250(D)mm                                 |
