

SARIX® MULTI PRO CAMERA SERIES

FLEXIBLE AND MULTI-DIRECTIONAL COVERAGE FROM A SINGLE VANTAGE POINT

32 MP	24 MP	20 MP
15 MP	12 MP	9 MP

Providing multi-directional coverage and flexible mounting options, the Sarix® Multi Pro camera series allows you to achieve total coverage across 180, 270 or 360 degree field of view from a single vantage point. With resolutions of up to 32 MP, this camera series features SureVision technology that delivers great low light and True Wide Dynamic Range performance, giving security operators the ability to look in multiple directions across large spaces with great clarity.

FLEXIBLE CONFIGURATIONS FOR WIDE AREA COVERAGE

Choose from models with 3 or 4 imager modules that can be configured to cover fields of view of up to 360-degrees from a single vantage point.

WIDE DYNAMIC RANGE AND SUREVISION TECHNOLOGY

SureVision technology delivers excellent low light and true wide dynamic range performance simultaneously.

ADAPTIVE IR TECHNOLOGY OPTION

Provides security detail in total darkness even as objects approach the camera.

LOWER OVERALL DEPLOYMENT COSTS

Save on installation time and costs with a single camera installation, cable and VMS license.

H.264 AND H.265 WITH SMART COMPRESSION TECHNOLOGY

Optimizes compression levels for regions in a scene to help maximize bandwidth savings and keep storage costs down.

VANDAL & WATER-RESISTANT

Rated IK10 for vandal resistance and IP66/67 for water resistance, enabling use in indoor and challenging outdoor conditions.

ONVIF® COMPLIANT

ONVIF Profile S, G and T compliance allows for easy integration with leading VMS brands.

PEACE OF MIND

We back our Sarix Multi Pro camera series with a 5-year industry leading warranty, with onsite support and 24/7 phone support.
