

AXIS TQ1808-VE Surveillance Cabinet

Extended cabinet for installation of critical system equipment

AXIS TQ1808-VE is designed with the integrator in mind to ensure that the product can be installed efficiently. The cabinet itself ships empty and can be ordered stand alone, but it's also possible to buy its spare part AXIS T1807-VE Cabinet Door, to add a deeper door to AXIS T98A15-VE Surveillance Cabinet. AXIS TQ1808-VE is designed to offer room for installation of various Axis accessories and system devices. It's for instance possible to fit AXIS T8504-R Industrial POE Switch and, Power supply DIN PS56 240 W, along with AXIS Electrical Safety kit A 120V AC or kit B 230V AC.
