0925590	VistaPC-i5-G13-4Mon-KBM-16TB Srv/Client - Includes keyboard and mouse
0925600	VistaPC-i5-G13-4Mon-KBM-20TB Srv/Client - Includes keyboard and mouse
0925610	VistaPC-i5-G13-4Mon-KBM-24TB Srv/Client - Includes keyboard and mouse

Vizion Mobile & PC Apps

Integral to the range is intuitive video management & remote software, allowing ease of set up, navigation and control. You can access any of the **FREE** Vizion mobile & PC apps at: vista-cctv.com/support

Vizion Remote App

Available in IOS & Android:

- View live and recorded footage
- Manage devices
- Event push notifications
- Control your PTZ cameras remotely

[FREE DOWNLOAD](#)

Vizion Player

Playback exported recordings in Windows OS

- Synchronous playback
- Watermark Detection
- Snapshot & video clipping
- Fisheye de-warping

[FREE DOWNLOAD](#)

Vizion Desktop

PC Based software for Windows & Mac Systems

- Video management software
- Live view & playback
- Device management
- Recording schedule
- Alarm configuration
- Video wall

[FREE DOWNLOAD](#)

Vizion Discovery

Network discovery and setup tool to find & manage any device or channel:

- Device management
- Channel management
- Upgrade devices
- Device maintenance
- Recorder channel management
- Recording storage calculator

[FREE DOWNLOAD](#)
