

8 Way Indicator Unit with Sounder

S1782P

A wall mounted 8 way Indicator unit with sounder in white ABS complete with a single gang low profile mounting box and a scratch resistant decal. There are separate drive inputs for both the individual lights and the sounder. We will label the fascia with words of your choice or supply it blank. Please see "Text Requirements" download on our website for further information. The LEDs are available in RED, GREEN or YELLOW. The LED and sounder limit resistor is provided for operation at 12vdc.
