

AXIS T94B03L Recessed Mount

Discreet installation in drop and overhang ceiling

AXIS T94B03L Recessed Mount is designed for discreet installation in drop and overhang ceilings, and is compatible with the bullet cameras from AXIS M20 Network Camera Series. The recessed mount is applicable for indoor environments as well as outdoor use in soffits. It is also suitable for installation in air-handling (plenum) spaces as the enclosure is made of metal alloy with a 1/2" (M20) conduit hole for protected cable routing.
