Multi Purpose Relay	●	●			●

Fused Output Module Overview

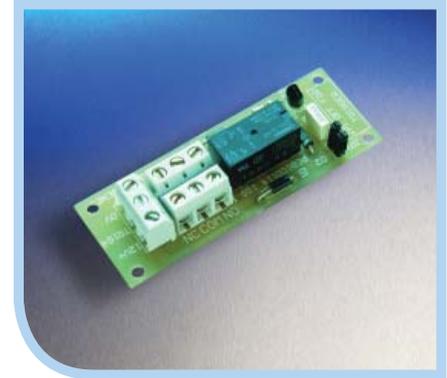

Particularly useful in CCTV applications, these fused output modules (FOM) provide 4 or 8 individually fused outputs with a maximum capacity of 6A at 50V ac or dc. Available with self-adhesive feet or as lug/DIN rail mountable version, these units can be fitted into most power supplies to provide separate fused output to multiple devices.

Features

- 4 or 8 individually fused outputs
- DIN rail version
- 'Fuse health' LED indication*
- Switchable supply input*
- Flexible, low cost solution
- 3 year warranty

Description

Part Number	Dimensions
FOM4	60 L x 50 W x 33 D
FOM8	94 L x 66 W x 33 D
FOM8-DIN	134 L x 84 W x 35 D

Multi Purpose Relay Overview

The multi purpose relay provides two sets of relay changeover contacts capable of being driven from a normal 12V supply or low current trigger input.

Features

- 2 volt-free changeover contacts
- Switch load up to 1A at 24V dc
- Low current consumption
- Supplied with sticky feet for fixing
- 3 year warranty

Description

Part Number	Voltage	Dimensions
MPR001	12V	72 L x 26 W x 20 D
MPR002	24V	

* DIN model only
