# 3.5" COLOUR VIDEOPHONE

## 6300 SERIES VIDEOPHONE

**6300  
SERIES**

Hands-free surface  
mount videophone in  
a satin white finish  
with picture memory  
option also available.

The 6300 series colour videophone is a hands-free surface mount videophone incorporating a 3.5" Hi-Res full colour active matrix LCD screen and comes in a satin white finish.

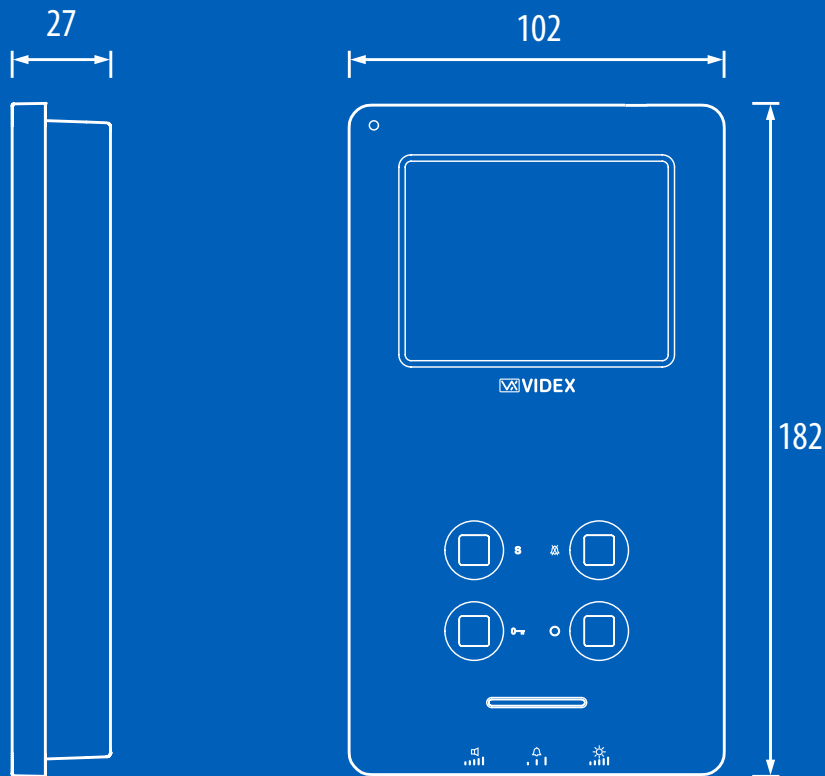

Features include "camera recall", "open door", "service" and "privacy" with LED indication for the "open door" and "privacy" features. Adjustments include call tone and speech volume controls and picture hue and brightness controls.

Available for the videokit series (CVK4K, CVR4KV and CVK8K), VX2200 6 wire system and the VX2300 2 wire system enabling these videophones to be used in single apartment installations through to high-rise installations with up to 1000 apartments.

---

The 6300 series surface mount videophone with a 3.5" Hi-Res full colour active matrix LCD screen is designed primarily for low and high-rise private developments and individual houses where an attractive and low cost functional videophone is desirable.

Accessories include a desk kit for an easy and practical functional alternative to a wall mount solution.

**Key Features include:**

- Hands-free, surface mount videophone in satin white finish.
- 3.5" Hi-Res colour LCD TFT display.
- Timed privacy function and door open with LED indication.
- Adjustable call tone, speech, hue and brightness controls.
- Programmable number of rings and melody options.
- Available for CVK4K, CVR4KV, CVK8K videokits, VX2200 and VX2300 digital systems.
- Picture memory option can store up to 100 pictures with corresponding recording date and time.
- Picture memory option with manual or automatic record function.
