

## Strong secure and lightweight

The new range of Vista vesa mount monitor brackets are made from a tough injection moulded plastic.

The range are all designed for monitors with 100 x100mm or 75 x 75mm Vesa mount spacing's.

VESAWM

Fixed wall mount bracket

VESAWMPT

Pan /Tilt wall mount

VESAWMPTTE

Extended arm pan/tilt wall mount

### **Features and Benefits:**

#### **Injection moulded plastic**

The material used to make these brackets makes them very lightweight but at the same time very strong

#### **Standard Vesa Mount**

All brackets have both 75 and 100mm standard mount spacing, so will fit any standard Vesa mount monitor

#### **Up to 15Kg load**

Suitable for all monitor up to approx 23" screen size
